ANNUAL MEMBERS' ART EXHIBITION INFO...

- Entries now open and these **close on 31st October**
- Forms available by emailing the art society
- **We seek your HELP**; all assistance is valued as a contributing artist, member and/or friend. Let us know how you will help...
- **Flyers** - please spread the news by handing some out to your family, friends, regular shops and businesses you visit.
- **Sponsors** - advertising for your family and businesses on our display screens is a great way to promote our Exhibition and our Society: \$50 per screen includes entry for 2 and, flyers and signage - ask regular shops and businesses you visit - a really cheap way for them to promote their businesses.

Date for your Diary

**OUR CHRISTMAS PARTY
Thursday December 6th**

Venue and time to be advised.

Last year's party at Banana Leaf, South Hurstville was a great success!

Congratulations

ARTWORK OF THE MONTH Jan Schuster-Callus 'The Black Rock'

Critic Ken Tucker made this appraisal of Jan's work...

This artwork has struck a chord with me. Left with a feeling, I was taken back to Minnie Waters on the Far North Coast. The movement and the composition is delightful. The strength of water flowing out is intriguing and draws you in. Love the perspective and distance.

PEOPLE'S CHOICE

October saw three people achieve this award

Peter Michalandos
'Going Fishing'

Bronwen Bassett
'Hydrangeas'

Jani Nanavati
'Drought Inspired Lizards'

SGAS Welcomes Joe Bezzina

Demonstration

November 15 at 6.30pm.

Joe is well known to our members and his demonstrations are always full of information about shape and colour.

Joe's passion for his art always inspiring. Supper follows the demonstration.

Thanks to Don for these two quotes -

'Banksy', the super shy British graffiti artist, recently had a 2006 picture auctioned for \$1.4 ...which then self-destructed, with a shredder built into the bottom of the frame. You would think the buyer would be aghast...but evidently the work is now worth even more!

Mature art presents a dialectic tension derived from confronting limits.

September Demonstration

Greg Hansell

Greg gave a demonstration of perspective before his pastel demonstration. Thank you Greg, as usual, a very interesting demonstration.

Welcome To new members

Margaret North and Chris Geraghty
