

FROM THE PRESIDENT
Jean Harrow

THANK YOU to our wonderful members who entered our 74th Annual Members Awards & Exhibition to showcase their fabulous art. A big Thank You to the committee and all the people who helped behind the scenes, and the numerous family members who assisted us in so many ways. Thank you to all our sponsors who donated the prizes and to the special guests who offer advice and support to our society.

Congratulations to all the artists who achieved an award, particularly to Ros Psakis for the Award for Excellence and a special mention to Col Parker and Wren Crow who achieved the new St George Art Society Award for Encouragement.

Guest Judge Chan Dissanayake commented on the excellent range of styles and techniques in this year's entries & suggested these points to consider -

- Add a signature as a form of authority to the work as an original.
- Read conditions of entry carefully to ensure works are in the correct and appropriate section.
- Suitable framing enhances the artwork and adds stability.

ST GEORGE ART AWARD for ENCOURAGEMENT

Col Parker *Astronomer Today - Vermeer Adaptation*

Wren Crow *Overlooking the Bay*

Judge's Comments: *A most outstanding painting executed simply but with mastery. A well-chosen colour palette and cleverly designed shapes to enhance the effects of light. The darks and the lights are strategically placed for maximum impact. The subtleties of the mid-tones are manipulated expertly. A beautiful simple painting that tells a story.*

On behalf of the St George Art Society Committee, we wish all our members and their families a joyful Christmas season and our best wishes for a peaceful New Year 2019.

October Demonstration Ken Tucker

"Don't be afraid - make the darks dark"

Ken's demonstration held his audience captive with each stroke. Focusing on balance, adjusting the darks and lights, using texture and shapes, his painting style is intuitive mark-making. Ken seems to know exactly where that balance is needed. The play of light on the house, the path and the garden was in perfect harmony, giving an airy feel of movement to the composition .

Thank you Ken for a great demonstration.
