PRESIDENT'S MESSAGE – JANUARY 2022

Greetings SGAS Members,

INSIDE

I hope you all had an enjoyable festive season and are invigorated to start a new year of SGAS Activities.

Unfortunately, there have been a few changes to our upcoming activities

THIS

URGENT NEWS!

Cancellation of Ros Psakis Oil Painting Class

Georges River Council informed us only a few days ago that the venue for Ros Psakis's new art class was double booked with another group and it was no longer available to us. There was no other suitable venue available and so it has been decided not to go ahead with the class at this time. The SGAS committee will be working with Ros to find a new venue for later in the year.

Oil Painting Workshop

The good news is that **Ros has agreed to conduct a two-day weekend Oil Painting Workshop on 12th, 13th March**, so please put that in your diary. More information will follow.

Change of Venue for Watercolour Class and Critique

It is very disappointing to learn, at very short notice, that the Georges River 16ft Sailing Club is to undergo renovations and the Spinnaker Room is no longer available to us for our Critiques and Watercolour Class. Although we had to cancel the January Watercolour Class, the SGAS committee has succeeded in booking the Kogarah School of Arts for both these activities in February and March. We are currently investigating our options for the remainder of 2021/22

All other activities for February are shown in the attached calendar and those at the School of Arts will continue as scheduled.

On **Tuesday 1st February, SketchAbility** starts up again; 2:00 p.m. at the Kogarah School of Arts (see attached flyer from Don). The other flyer is for Don's **Plein Air class on Sunday 6th February**.

We are still hopeful that we might have a gallery visit soon, perhaps to ArtExpress, if we have enough interest.
